General Notes

- The Technical Regulations (https://bcc-berlin.de/en/technical-regulations) of bcc GmbH apply.

- The order must be placed at least 14 days or 21 days prior to the start of the event using the online form at https://bcc-berlin.de/en/order-form. The order deadline of 21 days prior to the start of the event applies to the ExpoWall and Octalumina modular stands as well as all positions that require the sending of print files. In the event of a later order, the bcc reserves the right to charge an express surcharge of at least 20 %.

- All print files must be sent to us (by email or file hosting service) at least 21 days prior to the start of the event. Otherwise the production cannot be guaranteed.

- The provision of the ordered services will take place during setup times.

- All technical devices provided via the bcc will be supplied with the required current connections. If additional current connections are required for client's own devices, a separate alternating current connection (article no. 612347) must be booked.

- Additional stand constructions, stand equipment and technical stand equipment are available upon request.

- If stand catering is required, the Product Overview Stand Catering can be requested from the bcc.

- Prices for services exceeding three days of provisioning time are available on request.

- Services are subject to availability.

Stand Construction: ExpoWall

Details	Sample Photo	Price
ExpoWall modular stand: size according to choice; back wall element incl. digital colour print; one long-arm spotlight 150 W per running metre; alternating current connection (230 V, 16 A, up to 2 kW) incl. three-way power strip Article no. 2934771		295.00 EUR per running metre

Please Note

- By default, modular stands are provided with a height of approx. 250 cm. In the rooms B 01.01, B 01.02 and B 01.03 modular stands will be provided with a different height of approx. 230 cm.
- The modular stands per running metre can be booked in 0.5 m partitions.
- With a stand width of 400 cm or more the depth is approx. 55 cm instead of approx. 25 cm.
- The modular stand is positioned within the stand area thus reducing the usable floor space accordingly.
- If an ExpoWall modular stand is booked, an additional information sheet with print dimensions and instructions on how to lay out and share files will be provided.

Stand Construction: Octalumina

Details	Sample Photo	Price
Octalumina modular stand: size according to choice; luminous back wall element incl. digital colour print; alternating current connection (230 V, 16 A, up to 2 kW) incl. three-way power strip Article no. 3787473		320.00 EUR per running metre

Please Note

- By default, modular stands are provided with a height of approx. 250 cm. In the rooms B 01.01, B 01.02 and B 01.03 the modular stands will be provided with a different height of approx. 230 cm.
- The modular stands per running metre can be booked in 0.5 m partitions.
- The modular stand is positioned within the stand area thus reducing the usable floor space accordingly.

Noticeboard with stands: 126.5 cm x 193 cm (W x H); incl. pins; board measurements 118.5 cm x 146 cm (W x H) Article no. 612341		22.00 EUR per piece

Please Note

- For the printing of the counter the print file must be sent to us (by email or file hosting service) at least 21 days prior to the start of the event.

- The print file should be sent as a vector graphic in PDF format on a scale of 1:1 (without bleed). Image data should at least have a resolution of 72 dpi when a scale of 1:1 is used.

- AI-generated graphics generally have a resolution that is too low for large format printing. Upscaling can cause blurred and pixelated print results.

- The print file should only contain one layer. If multiple layers are used, colour variations and gradients may occur during printing. The use of multiple layers cannot be checked and corrected by the bcc.

- Each print design and product must be created as an individual file.

- Fonts must be converted into curves/paths.

- For preset colours, please send a colour sample and precise colour specifications to the bcc. If layers overlap, please ensure that none of them are accidentally set to overprint as this may lead to a distortion of colours.

Stand Equipment: Miscellaneous

Details	Price
Storage Article no. 612549	75.00 EUR per m² per day
Additional booth cleaning Article no. 612521	1.10 EUR per m² per day

Details	Sample Photo	Price
